

The Splash Arkansas Edition

Another busy and exciting summer for Power Play. In August, Little River Park Splashpad in Moore, Oklahoma was selected as a 2018 Dream Design Award Winner by *Aquatics International*. We also completed many new projects throughout Arkansas for El Dorado, Prescott, Hot Springs, and Conway which features the new Explora Collection. For the past couple of years, we have been offering Splashpad Tours. This is a great way to see multiple completed projects and compare sizes, equipment and themes. With more than 200 completed projects, Power Play can assist you with your Splashpad project.

City of Prescott Celebrates Their First Splashpad

The City of Prescott held a ground opening ceremony for their first Splashpad this summer which included speeches and the pressing of the activator to officially open the Splashpad. The park includes the non stop action of the Bucket Trio, the popular Aqua Dome, a Waterbug, and interactive Ombrellos. Kids love running through the misting Rainbow and many ground sprays. From toddlers to teenagers this Splashpad has something for all ages and abilities.

Downtown Playscape in El Dorado, AR

The Murphy Arts District Playscape in downtown El Dorado completed phase 1 of their project this summer. Phase one included a Splashpad with three Pine Trees, an Oil Derrick, 26 grounds sprays and two wall sprays. The park also features a custom Razorback and Log slide. With nine LED Lights throughout the Splashpad, the park can be open longer hours and adds more fun for all to enjoy!

Laurel Park Splashpad Features Explora Collection

The City of Conway opened up their first Splashpad this summer. Laurel Park is one of the first facilities to include the new Explora Collection that won two International Design Awards. The Explora features consist of the five Helios, two Luna Cannons, two Bamboo Rings, a Spray Loop, the popular Bucket Trio and Aqua Dome, and the giant Super Splash, a kid favorite.
