Oklahoma Parks & Recreation
Show (ORPS)
November 13 - 15, 2018
Norman, OK

Another successful and busy summer for Power Play in 2018. In August, Little River Splashpad in Moore, Oklahoma was selected as a 2018 Dream Design Award Winner by *Aquatics International*. We also completed many new projects for cities in Altus, Kingfisher, Broken Arrow, Moore, Ponca City, and Tulsa, Oklahoma. For the past couple of years, we have been offering Splashpad Tours. This is a great way to see multiple completed projects and compare sizes, equipment and themes. With more than 200 completed projects, Power Play can assist you with your Splashpad project.

O'Brien Park Renovations Include New Splashpad

Tulsa County recently completed updates at the O'Brien Park Recreation Center which included the addition of a new Splashpad. The unique design was created by Planning Design Group (PDG) and includes a seat wall and turf berms in addition to the polished stainless steel water features. The nature themed Splashpad includes Flowers, Aqualiens, two Loop Cannons, multiple ground sprays and wall sprays which are a kid favorite. Surrounding the Splashpad are benches, shades, and artificial turf for families to sit and watch kids play in the water.

Ponca City Opens 5th Splashpad at Attucks Park

Explora Collection at Cole Heights Park Splashpad

Cole Heights Park in Altus, OK is one of the first Splashpads to include the new Explora Collection that won two International Design Awards. The park includes three Explora Helios, the popular Bucket Trio, a Sunspray, three misting Spray Loops, an Aqua Dome, and two Tube Cannons. Throughout the Splashpad, are 23 strategically placed ground sprays leaving no dry spot. The park also consists of four benches for parents to watch their little ones.

First Splashpad for the City of Kingfisher!

The City of Kingfisher opened up their first Splashpad this summer at Shaw Park. The colorful park includes popular features such as the Aqua Dome, Sunspray, and the non-stop fun of the Bucket Trio. The misting Rainbow and towering Super Splash are the focal points of the Splashpad surrounded by many ground sprays. From toddlers to teenagers this Splashpad has something for all ages and abilities.

Little River Park Splashpad Wins 2018 Dream Design Award!

Power Play is excited to announce that Little River Park Splashpad for the City of Moore, Oklahoma has been selected as a 2018 Dream Design Award Winner from *Aquatics International*. This project is the only stand alone Splashpad to win an award this year.

The City of Moore was awarded a federal grant as a part of the rebuilding process after a devastating tornado. The youth of Moore spoke and decided on a pirate theme for the new project. The pirate themed Splashpad is the largest in Oklahoma with a total area of 7,500 sq. ft. The parks focal point features a custom Pirate Ship with two water slides and a skull and cross bones dumping bucket. Surrounding the ship are Pirate Water Cannons, Palm Trees and many animals such as an Octopus, Shark, Frog, Fish, Pelican and Crab. Another unique feature of the park is the elevated observation deck with wall sprays.

This is the 7th Dream Design award for Power Play.

Scorpion and Vortex Elevation™ at Lake Murray State Park!

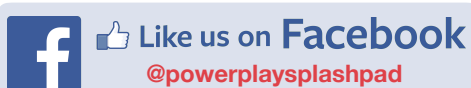

Outer Space Theme at Fairmoore Park

Opening their fourth Splashpad, Moore's Fairmoore Park inspires many stories with its unique Space / Rocket Ship theme featuring many colorful and dynamic water features. The focal point is a 15 foot tall custom USA Rocket Ship with surrounding features including Aqualiens, Orbit Rings, Twin Space Cannons and a Bucket Trio with Custom Alien graphics. Integral color in the concrete represent planets while the moon is a lounging area with artificial turf.

Leisure Park in Broken Arrow Revitalizes Neighborhood

The City of Broken Arrow opened up a new Splashpad this summer offering the Leisure Park community a perfect way to cool down. The Splashpad design includes Flowers from the Nature Collection with a variety of water effects. The Splashpad also has multiple ground sprays and a seat wall with sprays.
